

OPENNow®/FUNDNow® EXPRESS

Deploy Online Account Opening in Two Weeks!

OpenNow®/FundNow® EXPRESS offers an online account opening solution that provides the appropriate combination of advanced features and functionalities and simple implementation and maintenance – all at a price point that enables an immediate and positive ROI for your institution.

Specifically designed to meet the needs of small and mid-sized institutions, OpenNow/FundNow EXPRESS enables these institutions to be more competitive by providing their customers with the same online features and capabilities as the industry leaders.

Key Features

Increased Account Acquisition – Turns prospects into customers by providing them with an enhanced user interface, shorter application processing time and a choice of quick and easy funding methods.

Simpler, Faster Implementation – Launch online account opening and funding in as little as two weeks with an easy-to-configure, hosted solution.

Proven Technology – Provides institutions with the same proven technology and benefits as our industry-leading solution, OpenNow®/FundNow®, which processed more than 1.7 million applications in 2007.

- **Instant Identity Verification and Decisioning** – Leverages multiple industry data sources to offer robust ID verification that meets all regulatory requirements.
- **Enhanced Account Verification** – Facilitates verification of funding account ownership through real-time verification and trial deposits.
- **Convenient Funding** – Offers multiple funding options for added consumer convenience, including next-day funds availability.
- **Standard Business Rules** – Provides institutions with options for business rules sets for applicant decisioning that are based on industry best practices.
- **Customizable Workflow** – Enables banks to create workflows to manage pending applications and conduct targeted follow-up.

Branded User Interface – Offers institutions the ability to brand the user interface with their own logo and graphic identity.

Comprehensive Risk Management – Leverages CashEdge's risk management and compliance services, which provide access to best-of-breed risk management tools and databases.

OpenNow/FundNow
EXPRESS

Designed for Small and
Mid-Sized Institutions

Fast Implementation

Low Upfront Cost

CashEdge's
OpenNow/FundNow
solution processed
more than 1.7
million applications
in 2007.

Single-Session Account Opening: An easy-to-use new account opening application available directly from an institution's branded website.

Instant Identity Verification: Merged information from multiple data sources facilitates ID verification.

Convenient Funding: Multiple funding options, including next-day funds availability, provide added consumer convenience.

OPENNOW®/FUNDNOW® EXPRESS

“By 2010, 13% of U.S. checking accounts will be opened online, up from 3% in 2006; and there is no absolute correlation between the size of an institution and its ability to attract customers online.”

— Aite Group, 2006

Benefits to Financial Institutions

- Increased account close rate
- Quicker growth of assets
- Lower cost of acquisition
- Consistent decisioning
- Reduced risk (account verification)
- Greater ROI from online channel
